Portable Trolley

Portable Spray Booth Trolley

Art No: TR690 :Portable workbench for units A200H/H-D and T660H-C/H-D (890x685x455) BV660H-C/H-D (890x685x455)

Art No: TR970: Portable workbench for units A100H/H-D and T930H-C/H-D (890x960x625) BV930H-C/H-D (890x960x625)

Designed to fit our standard and large hood mounted extraction cabinets, this mobile work bench is constructed to the same high standards.

With large wheels (2 of which are lockable) and handles, they are highly mobile, allowing the operator to easily move the cabinets from one location to another.

Both sizes come with a large lockable storage cupboard, a single drawer and open storage area.

Demonstrating adequate control of the risks to the health of employees, students and the general public, from dusts, powders, mists, fumes and vapours is the fundamental requirement of the Control of Substances Hazardous to Health (COSHH) regulations 2002 and 2004.
